SUMMARY

Highly motivated individual seeking a professional opportunity to apply and enhance my knowledge of Java, Spring Boot, MySQL, and web technologies. Eager to gain practical experience, contribute to organizational success, and grow professionally through continuous learning, adaptability, and teamwork.

TECHNICAL SKILLS

Languages: Java, Python

Web Technologies: HTML5, CSS, JavaScript, React

Backend: Spring Boot, REST APIs, JDBC, Hibernate, Flask

Tools: GitHub, VS Code, Eclipse

INTERNSHIP

Java Full Stack Developer Intern—HMI Engineering Services

Developed a Library Management System using Java, Spring Boot, MySQL, JPA Hibernate, and REST APIs with CRUD operations for managing books, members, and library records.

PROJECTS

StyleSence E-Commerce Website

Built a fashion and clothing website using HTML, CSS, JavaScript, and DummyJSON API. Added user signup and login functionality, product search and filtering, shopping cart features like add, remove, and update items, localStorage for data storage, and API integration for fetching product information.

Student Management System

Built a full-stack web application using Java Servlets and MySQL to manage student records. Implemented CRUD operations, REST APIs, JDBC-based database connectivity, and user authentication, deployed on Apache Tomcat.

Product Inventory Management System

Built a Product Inventory Management System using Java, Spring Boot, Servlets, JDBC, and MySQL with CRUD operations, inventory tracking, REST API development, and database integration.

EDUCATION

B.Tech, Computer Science and Engineering	2025
NRI Institute of Technology	
Intermediate	2021
A.P.S.W.R.E.S./JR College	
SSC	2019
A.P.S.W.R.E.S. School	

CERTIFICATIONS

- Cybersecurity Professional – IBM
- Java Full Stack – Wipro
- Deep Learning, NLP, AI – ExcelR

SOFT SKILLS

- Analytical Thinking
- Problem Solving
- Attention to Detail
- Team Collaboration
